Principal,

University College of Medical Sciences

I/C, Covid Care, Guru Teg Bahadur Hospital

Delhi.

Subject: Donation of Oxygen Concentrators

Sir,

University College of Medical Sciences (UCMS) alumni in collaboration with its overseas members has procured 50 oxygen concentrators (OCSYSMED001 Oxyflow 50C) for patients admitted to Guru Teg Bahadur Hospital (GTBH). I request you to accept first consignment of 15 oxygen concentrators and include it in inventory and get them immediately installed in COVID wards so that these can be utilized by needy patients.

This ~~is a~~ small gesture of UCMS ex-students towards their college and affiliated Guru Teg Bahadur Hospital and patients on whom we all learned and practiced medicine.

Regards

Manish

Dr Manish Narang

President, UCMS Alumni

UCMS and GTBH COVID Relief Team
